**MATERIAL SAFETY DATA SHEET**  
**L-44E**

**Section 6 - Toxicological Data**

**Route of entry:** Skin, ingestion

**Acute exposure effects:** N/A

**Chronic exposure effects:** Prolonged contact may cause skin irritation.

**Exposure limits (TLV/TWA):** N/Av

| <u>Carcinogenicity</u> | <u>Mutagenicity</u> | <u>Reproductive toxicity</u> | <u>Teratogenicity</u> | <u>Synergistic effects</u> |
|------------------------|---------------------|------------------------------|-----------------------|----------------------------|
| No                     | No                  | No                           | No                    | No                         |

**If yes to any of the above, specify:**

**Section 7 - Preventive Measures**

**Protective equipment:** Eyewear, gloves

**Handling procedures:** None

**Waste disposal methods:** Dispose as per Municipal, Provincial and Federal regulations.

**Leak/spill procedures:** Wipe up spills. Use detergent.

**Storage requirements:** Protect from freezing.

**Engineering controls:** None

**Handling equipment:** None

**Special shipping information:** Not controlled according to TDG

**Section 8 - First Aid Measures**

**Skin contact:** N/A

**Eye contact:** Rinse thoroughly with plenty of water.

**Inhalation:** N/A

**Ingestion:** Do not induce vomiting. Consult a physician.

**Other:** N/A

**Section 9 - Preparation of MSDS**

**Prepared by:** International Product Manager - Chemical Tools

**Telephone:** 1-888-592-5837

**Date:** January 26th, 2010

*This data is offered in good faith as typical values and not as a product specification. No warranty, either express or implied is hereby made. The recommended industrial hygiene and safe handling procedures are believed to be generally applicable. However, each user should review these recommendations in the specific context of the intended use and determine whether they are appropriate.*

**N/A - Not Applicable**

**N/Av - Not Available**
